

ADAM MEEK (HE/HIM) CSR A

CANDIDATE STATEMENT:

I'M ADAM, AND 12 MONTHS AGO I RAN FOR TECH CONVENOR AND WON IN A HISTORIC FASHION. SOME SAY IT WAS THE MOST IMPORTANT ELECTION WIN OF OUR GENERATION, AND TO THEM I SAY YOU SHOULD GET OUT MORE. AS TECH CONVENOR, I'VE SPENT A LOT OF TIME ANSWERING EMAILS AND PROVIDING TECH SUPPORT AT 10PM, SO I'M RUNNING FOR CSR TO DO LESS OF THAT. NONETHELESS, I'M CONTINUING MY WORK TO CONVERT JIM'S BAR INTO A FUNCTIONAL MUSIC VENUE AND STREAMLINE OUR OPERATIONS, WHICH IS GOOD BECAUSE IT SOUNDS PROFESSIONAL.

AS CSR, I WOULD LIKE TO MOUNT A METAL BAR AT THE BACK OF THE STAGE IN JIMS SO WE CAN PROPERLY INSTALL SOME BACKLIGHTS THERE. WE HAVE A METAL BAR, WE HAVE LIGHTS, I BELIEVE IT MAY BE POSSIBLE. YOU COULD EVEN MOUNT A BIG, LIGHT-UP QM SIGN THERE. IF I CAN PULL IT OFF, WE'LL BE THE SECOND-BEST MUSIC VENUE IN EUROPE (CITATION NEEDED).

I WOULD CONTINUE TO DIRECTLY SUPPORT THE INCOMING TECH CONVENOR WITH MY INFINITE WISDOM AND UNYIELDING DRIVE TO MENTION BUYING STROBE LIGHTS WHENEVER POSSIBLE (THEY'RE NOT THAT EXPENSIVE). IN DOING SO, I WILL CONTINUE MY CRUSADE ON EXTREMELY LONG XLR CABLES AND FOSTER AN ENVIRONMENT IN WHICH ANYONE CAN FREELY COMPLAIN ABOUT THEM, WITHOUT JUDGEMENT.

I PLAN TO ACQUIRE ANOTHER ZANY FLAG THAT IS OF NO PRACTICAL USE. I DON'T KNOW SPECIFICALLY WHAT WILL BE ON IT, BUT I WILL FIND OUT USING THE DELIBERATION ZONE™. MAYBE SOMETHING PYGMY-MONKEY-ADJACENT.

I WILL CREATE THE DELIBERATION ZONE™.

I WOULD INVESTIGATE WHETHER THE POWER OF THE DELIBERATION ZONE™ MIGHT BE USED TO SOLVE THE COLLATZ CONJECTURE, BUT NO PROMISES AS THE LIMITS OF THE DELIBERATION ZONE™ ARE NOT YET KNOWN.

FINALLY, I WOULD LIKE TO TRY TO GET SOME STUDENT BAND GIGS IN JIMS (NOW THAT ITS TECH CAPABILITIES HAVE BEEN IMPROVED) AS WE HAVEN'T DONE MANY SINCE LAST YEAR.
